

# Programmes for Motor Dealerships

DoneDeal is the largest and most cost effective lead generating car marketplace in Ireland.

- We now provide Independent and Franchise dealers with data rich, quality leads helping you to sell cars faster.
- Our reporting is the most transparent in the market. By detailing the number of phone and email leads generated on site, we enable you to see how well your stock is performing on DoneDeal compared to other channels.
- O Through our partner sites, such as Daft.ie, Adverts.ie & The Journal.ie, we have a wider reach than any other online publisher. With close to 70% of Irish people accessing these sites every month, we can give you unparalleled growth for your local brand.

\*Recent survey by IPSOS MRBI

#### **DoneDeal's Dealership Programmes**

You asked for DoneDeal to become more Dealer focused, we listened and together we have developed three new Dealer Programmes that will help you in the following areas:

Selling - Generate more quality leads, cost effectively Trust & Safety - Stand out from other listings as a verified trusted dealership Marketing - Promote your brand across our marketplace and network of sites Pricing - Price your stock correctly

### 

DoneDeal's starter programme, will give you access to our Dealer Directory, Dealer Showroom, along with our live pricing tool. Also, dealers now on this programme will receive a basic history check on all vehicles uploaded. ACCELERATOR

Build your brand and stand out from the crowd. Save time & effort with extra tools.

Done Deal

### TURBO

Our premium package will not only maximise your sales but also build your brand. Distinguish your listings and show-case your stock across the DoneDeal platform and our partner sites such as Daft.ie, Adverts.ie and The Journal.ie.

## **New Motor Features**

## **Drive Your Leads**

### Greenlight

Greenlight is a car history check service from DoneDeal. We're now offering a basic history check on all Dealer Programmes for free. Cars that receive a history check get more prominence across the site and therefore generate a higher number of leads. It means that Dealers can build trust and stand out from the cars that don't receive the Greenlight check.

#### 1) Greenlight Badge

The Greenlight icon appears in the search results to build trust for a buyer.

### **Drive Your Brand**

#### **Professional Photograper Branding**

#### **2** Professional Photographer Branding

Professional Photographer Branding which gives people trust so they can buy with confidence. Professional Photographer Branding will be included in the Dealer Directory, Showroom and Embedded Showroom features.

### **Embedded Showroom**

) Embed a mini-version of your showroom on every one of your vehicles. This feature also blocks any competing stock from appearing on your listings.

### Special Offers & Subtitles

Make your ads stand out from the others with subtitles which can include warranties, unique selling points and special offers.

#### Local Dealer & Local Deals

#### Local Dealer & Local Deals

Build your dealership's brand and showcase your stock across the DoneDeal platform and our partner sites such as Daft.ie, & Adverts.ie to win buyers from people searching for homes & other goods and services in your area.

## **Upgrade Products**

### **Featured Dealer**

 Drive leads and build brand recognition by having a featured dealer slot on Ireland's most visited homepage.

#### Spotlight

Spotlight places your adverts at the top of the page above the search results, guaranteeing 100% visibility of selected stock during key search periods for a 48 hour period.

#### Bump

Bumps allow you to push your car ad to the top of the search results on DoneDeal.

#### Smart Bump

For those worried about ads falling down the listings too quickly, we have introduced Smart Bump. Once a day, our algorithm chooses cars that are falling furthest down the listings and bumps them back to the top at the optimal time. Our algorithm ensures that you spend your monthly bump allocation as efficiently as possible while still giving you the flexibility to manually choose individual cars to bump.

Talk to us today about how our dealer programmes can help your business.
